WHO WE ARE

The **Zonta Club of Oakville** is a not-for-profit organization founded in 1973. We are a small but vibrant group of professional women that work together to raise awareness and resources for women locally and globally.

Zonta International, with 30,000 members in 66 countries and 1,200+ clubs, has been honouring and empowering women for over 100 years. Founded in 1919, Zonta International envisions a world in which women's rights are recognized as human rights and every woman can achieve her full potential. In such a world, women have access to all resources and are represented in decision-making positions on an equal basis with men. In such a world, no woman lives in fear of violence.
